Order & Shipping Errors

ORDER & SHIPPING ERRORS

Please notify KEE Action Sports immediately of any mistakes on your order. You must inform KEE Action Sports of any order fulfillment or shipping problems within seven days of arrival in order to serve you better and to maintain accurate inventory. If you have comments, questions or concerns about how your order was packed or shipped, please call your sales rep immediately.

RETURNS & CREDITS

- Let KEE Action Sports know the part number, invoice number and reason for the return.
- KEE Action Sports will check your sales history to determine the date you purchased the item and the invoice price. Items not purchased from KEE Action Sports cannot be returned to KEE Action Sports. The item cannot be returned if purchased more than six months prior or if it has been discontinued.
- KEE Action Sports will assign an RMA (Return of Merchandise Authorization) number.
- Put the RMA number on the outside of the shipping box and send the item to KEE Action Sports. Please pack the returned item using a shippable outer carton. Make sure the item is in new condition (would you be able to sell it as new?) and in original packaging. KEE Action Sports will not accept returns on parts without original packaging or that have been installed.
- A restocking charge of up to 10% may be deducted from your credit for items returned (you will be notified if this applies to your return).
- Credits normally take five to ten days to process after returned products are received at KEE Action Sports.
- If your terms are COD, your credit will be applied to a future order. Contact your sales representative for details.
- If your terms are credit card, your credit will only be applied to the card that paid the original invoice. The credit may also be used towards a future purchase.
- Clothing that has been worn or used cannot be returned to KEE Action Sports due to issues of fit, look or fashion; KEE Action Sports will only accept clothing returns to determine whether or not an item is defective. If the article is determined to be defective, KEE Action Sports reserves the right to repair, replace or provide credit for the article at its discretion.

KEE ACTION SPORTS' RESPONSIBILITY

Example: You order product "A" and KEE Action Sports sends product "B" or fails to include product "A" in your shipment.

- Please finish checking in your entire order before calling and carefully inspect packing materials.
- Let KEE Action Sports know which items were not received or received in error.
- KEE Action Sports will find the simplest, fastest way to resolve the situation and will reimburse return freight or issue a Return Service Label (RSL) to cover any shipping charges required to return item(s) to KEE Action Sports.

YOUR RESPONSIBILITY

Example: You gave KEE Action Sports an incorrect part number, or your customer changed their mind.

- Let KEE Action Sports know the invoice number and KEE Action Sports part number(s) in question.
- KEE Action Sports will issue an RMA number. Please mark the outside of the box with the RMA number as shown in example 1. Return the product using a carrier that offers tracking. Parts must be in original packaging. No returns on parts that have been installed. Do not use display boxes as shipping cartons as shown in Example 2 and 3.
- Once received and determined to be returnable; KEE Action Sports will issue a credit memo for the item(s) returned.
- A restocking charge of \$2.00 per line or up to 10% may be deducted from your credit for item(s) returned over 30 days from invoice date.
- No returns over six months from the invoice date.
- KEE Action Sports has found that using part numbers when ordering substantially reduces errors.

REFUSED ORDERS

All refused orders are subject to a 10% restocking fee and all applicable freight costs.

SHIPPING MISHAPS

- If a package arrives in damaged condition, you have the option of refusing delivery of that package. If you do choose to accept a damaged package, please note the damage with the delivery

Example 1

Example 2

Example 3

person and call the carrier immediately to file a claim. Please save all boxes and packing material for inspection by the freight carrier.

- Once the claim is made with the carrier and a claim number is generated, please call KEE Action Sports with that number so that your account can be credited for the lost or damaged items. Please feel free to call KEE Action Sports if you need assistance in resolving a damage or loss claim.

WARRANTY INFORMATION

All Warranty questions and claims regarding products purchased from KEE Action Sports should be directed to our Tech Support department: 1.800.724.6822.

To File a Warranty Claim with KEE Action Sports:

- 1) Call KEE Action Sports at 1.800.724.6822 to obtain a Return of Merchandise Authorization (RMA) number before shipping product to KEE Action Sports
- 2) Place your RMA number on the outside of the box
- 3) Include your name, address, telephone number, fax and e-mail address
- 4) Pack product securely to avoid damage during shipping
- 5) Include a brief description of the reason for return
- 6) Using a trackable means of shipping, send to: KEE Action Sports 570 Mantua Blvd., Sewell, NJ 08080

Warranties do not apply in the event of misuse or abuse of the product, use of any parts other than original factory parts, or unauthorized factory parts, or unauthorized repairs, modifications, or alterations, and does not apply to any parts that are made defective by modification, misuse, abuse, or accident.

New Accounts, Changes & Terms

PRICES

Prices may change without notice at KEE Action Sports' sole discretion. Please ask a customer service agent for price quotes when placing your order by phone. Check with www.keearctionsports.com for current prices. KEE Action Sports not responsible for typographical errors.

SHIPPING TERMS

KEE Action Sports ships F.O.B. (Freight on Board) shipping point from the closest regional KEE Action Sports Warehouse that stocks the products ordered. Once your order leaves the KEE Action Sports facility, the title of goods transfers to the freight carrier and ultimately to you, the buyer.

ACCOUNT CHANGES

- Any changes to your business such as name, address, phone, and/or ownership must be made in writing. Please contact a customer representative to request an Account Change Form.
- Please notify KEE Action Sports of changes as soon as possible. Failure to keep your account updated may cause delayed or cancelled shipments without notification from KEE Action Sports due to outdated contact information.
- KEE Action Sports reserves the right to bill your account for any expenses incurred by any order that is returned or re-routed because of outdated or inaccurate address information.

FAX ORDERS

- Please transmit fax orders at least one hour before last call to ensure same day shipping. (See page 1 for last call times)

Fax orders must include:

- Your customer account number
- Store "ship to" number
- Phone number where you can be reached
- Return fax number
- KEE Action Sports part numbers
- Contact name
- Shipping instructions
- Special handling instructions

A confirmation of your order (including stock status and current prices) will be faxed to you if your phone line is available. Changes and add-ons to fax orders may not be possible.

TERMS

COD-Certified Funds

UPS requires payment with a cashier's check or money order. UPS will not accept cash.

- All new accounts have terms of COD-Certified Funds until a Customer Credit Application and New Dealer Application is fully completed and approved.
- All accounts requiring collection or legal action will have credit terms changed to COD-Certified Funds or pre-payment.

COD-Company Check

New accounts with an approved Customer Credit Application on file may have terms changed to a COD-Company Check. Personal checks are not accepted.

Net Terms (Available subject to credit worthiness & personal guarantee)

- Net terms may be available upon approval of a completed KEE Action Sports credit application.
- Please allow 2-4 weeks for processing.
- Accounts not paid as specified are subject to a finance charge accrued at a rate of 1-1/2% monthly.

CREDIT CARDS

Credit cards may be used to pay any account balances. Visa, MasterCard, American Express and Discover may be used for payment at the time an order is placed. Please have the credit card number, expiration date and card holder name available. For your protection, a credit card form must be on file in order to make purchases by credit.

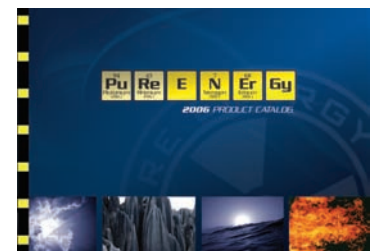

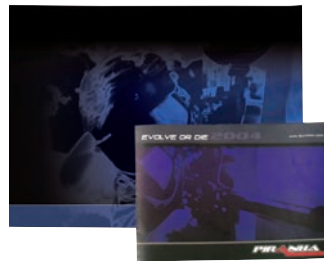

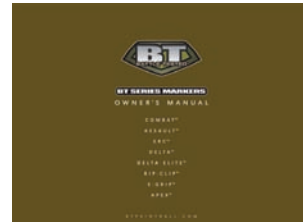

RETURNED CHECKS

There will be a \$25 service charge added to an account for all returned checks. Also, the terms on that account will be changed to COD-Certified Funds. After the check is replaced, the account terms will be reviewed.

Replacement Literature

Replacement Operator Manuals and Brochures are available upon request. Contact your sales representative.

SAFETY FIRST!

!/\ WARNING

THE PAINTBALL MARKERS AND OTHER PRODUCTS ARE NOT TOYS. MISUSE MAY CAUSE SERIOUS INJURY OR DEATH.

EYE PROTECTION DESIGNED FOR PAINTBALL USE MUST BE WORN BY THE USER AND ANY PERSON WITHIN RANGE OF ANY PAINTBALL PLAYING AREA.

READ ALL PRODUCT OPERATING MANUALS COMPLETELY BEFORE LOADING, PRESSURIZING, OR OPERATING ANY PAINTBALL MARKER OR OTHER PAINTBALL EQUIPMENT.

Always wear protective goggles and headgear specifically designed for paintball when shooting any paintball marker.

Every person within range of an area where a paintball marker is in use must wear protective goggles and headgear specifically designed for paintball.

Operate a paintball marker only in areas where it is safe and lawful to do so.

Misuse of this paintball marker can result in criminal penalties, including jail time.

Paintball Markers are intended for sale to adults 18 years of age or older only. Adult supervision is recommended at all times whenever a minor is handling any paintball marker or other paintball equipment.

During game play, follow referee's instructions and all field safety rules. Avoid shooting at a player's head, neck, or groin area. Never shoot another player at a range of less than 10 feet.

Play paintball only where the rules of safe paintball play are followed.

All paintball markers must be chronographed regularly. Adjust the paintball marker to shoot paintballs at a velocity less than 300 feet per second (fps) and/or that does not exceed the velocity limit set by the Paintball Park you are attending.

Chronograph the paintball marker at regular intervals during the day, as well as any time the air source is refilled or changed, any time the barrel is changed, and upon request of any player or game official.

There is always a chance that a paintball is lodged in the barrel of the paintball marker even when it is not visible in the chamber. To check if the paintball marker is unloaded: remove air system and shoot the paintball marker in a safe direction. Remove hopper, visually inspect chamber for paintballs, remove and inspect barrel for the presence of paintballs.

Never look down the barrel of any paintball marker once the barrel is screwed into the marker.

Paintball markers with regulators may hold pressure even after the air tank is removed. Shoot your paintball marker in a safe direction after the tank is removed to de-gas it completely.

Paintball markers operate using compressed gas or air at a specified pressure range. Follow all federal, state or local safety procedures when handling compressed gas or air. All filling of compressed gas or air cylinders must be done by qualified persons.

Always cock your paintball marker before attaching air or gas source to it. Failure to always cock the paintball marker before attaching air to it may cause accidental firing or discharge of paintballs.

Follow the rules of safe paintball marker handling: Keep your finger off the trigger until ready to shoot. Always keep the muzzle pointed in a safe direction. In addition, properly attach a barrel blocking device to the paintball marker and push the electronic or mechanical safety "on" when the paintball marker is not in use and when in any non-shooting area.

Paintball markers with electronic frames have extremely sensitive triggers. Take extra safety precautions anytime handling or shooting an electronic paintball marker. To avoid accidentally firing the paintball marker, turn the paintball marker off until you are ready to fire.

Never shoot at domestic animals or wildlife.

Never mark objects outside the confines of the games or authorized shooting areas.

Never look down the barrel of the paintball marker.

Never aim or shoot a paintball marker (loaded or unloaded) toward any person who is not wearing protective goggles and headgear specifically designed for paintball.

Before disassembly, storage, or transport of the paintball marker, remove all paintballs from the paintball marker, barrel, and loader; remove air source; and remove all gas or air from the paintball marker. Properly install a barrel blocking device and put mechanical safety in "no shoot" position.

Always carry paintball markers in a case or sturdy container when in public.

Safely and securely store marker to prevent access to it by unauthorized persons.
